

## RVISD No Child Left Behind

RVISD Bus Drivers working together to ensure a safe passage for the ones we love!

---

Tim Wright, Superintendent

"RVISD No Child Left Behind Program"

# Rio Vista Independent School District

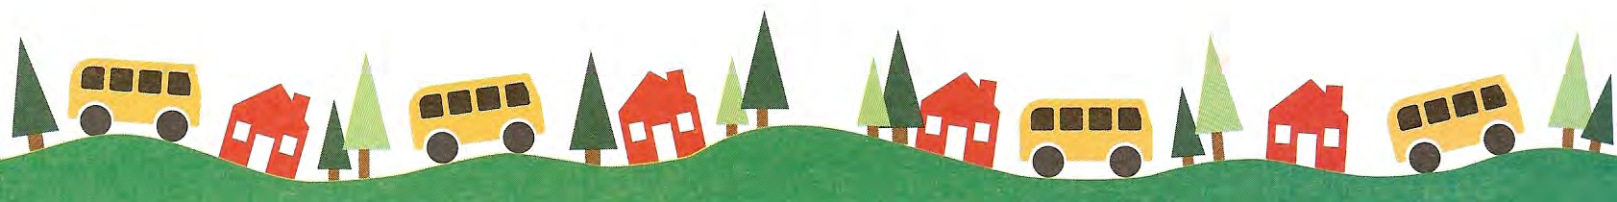

## **“No Child Left Behind Program”**

**“No Child Left Behind Program”** stickers have been placed on each school bus.

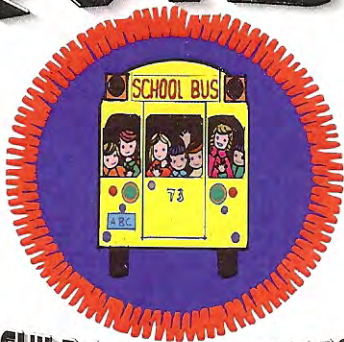

- 1) Stickers are located at the front of the bus near the drivers seat.
- 2) Stickers are located at the back of the bus beside the exit door.

All bus drivers after completing your route or arriving at your destination walk through the bus to the **“No Child Left Behind Program”** sticker. While walking through the bus check each seat to make sure a child has not fallen asleep or for some reason been left on the bus.

**“No Child Left Behind Program”** is a daily practice to make school bus transportation safer for the students at **Rio Vista Independent School District**.
