## **Districts Win Coverage Credits**

(Austin) – Three school districts ended up with an extra benefit at the close of the recent TASB Risk Management Fund Members’ Conference in Austin. For more than 10 years, drawings have been held at the conference’s conclusion for coverage credits of \$1,000, \$3,000, and \$5,000. Fund members can use these renewal coverage credits to apply to their coverage cost for the following year.

Accepting the coverage credits this year were the following:

- Tina Murphy, **Lovejoy ISD** – \$1,000 recipient
- Donna Zinax, **Ector County ISD** – \$3,000 recipient
- Rana Anderson, **Leonard ISD** – \$5,000 recipient

The annual conference, held at no cost to Fund members, features a broad range of training sessions and networking opportunities. It also spotlights Fund members demonstrating innovative practices and implementing training, loss prevention, and other risk management initiatives.

The TASB Risk Management Fund is the premier provider of risk management services for school districts and educational entities in Texas. With more than 1,100 members, the Fund is one of the oldest, largest, and financially strongest risk pools in the nation. The Fund provides coverage through its unemployment compensation, workers’ compensation, and property and liability programs. In addition, it offers a wide range of services and member benefits, such as loss prevention, free member training, online claim forms and resources, and grant programs.
